CLASSIC CALIFORNIA ROSÉ

Vintage Table Wine

Monterey County is recognized as one of the classic wine regions of the world. Its cool climate, light soil and exceptionally long growing season are ideal for certain grape varieties. From this region come many of the fine vintage wines of The Monterey Vineyard, characterized by intense varietal flavor.

Classic California Rosé is a serious, complex Rosé created from an unusual combination of these premium grape varieties:

—Grenache (47%)— traditional backbone of Taval Rosé wines.

—Cabernet Sauvignon (18%)—for character and full body.

—Napa Gamay (18%)—for complexity and berry-like fruitiness.

—Grey Riesling (9%)—adds an unusual touch of finesse.

—Pinot Noir (8%)—for its elegance and subtle aroma.

This Classic Rosé may be served as an aperitif, or enjoyed equally well with meals.

Serve lightly chilled.
